

McMaster Pediatric Residency Training Program

WELCOME.

Statement of Dignity and Inclusion

- We are committed to building a safe and inclusive space where diversity is celebrated.
- We recognize, value and encourage celebration of human differences that surround us.
- We ask all members of our community to participate in fostering this spirit.

Any expressions of bigotry, hatred, prejudice or disrespect are inconsistent with the ideals of preserving human dignity and our goal of cultivating the human potential in everyone, and have no place in our community.

It is important that we expressly note that all members of our community including aboriginal peoples, persons with disabilities, members of visible minorities, women, lesbian, gay, bisexual, transgender, and intersex trainees are welcome in our program.
