

ELECTIVE OPPORTUNITIES – Charlottetown, PEI

We are a consultant based practice with clinic offices located within the hospital with full administrative support supplied. We have a Level 2 NICU with 12 beds (32 weeks and up, short term ventilation) as well as a 10-12 bed General Pediatric floor. We are a satellite centre for IWK Pediatric Oncology and we have excellent support with respect to nursing, 24-hour respiratory therapy coverage, pediatric pharmacist and a pediatric dietitian.
